

Cigna's Quickswitch Program

Cigna Home Delivery PharmacySM is designed for individuals who take prescription medications on a regular basis, such as those used for diabetes, asthma, heart conditions, high blood pressure and more. As a Cigna Home Delivery Pharmacy customer you can enjoy many benefits like:

- › Convenient delivery of your prescription medications to a location of your choice
- › Easy refills - up to a 90-day supply means fewer refills
- › Our free refill reminder service will call, text or email you when it's time to refill your prescriptions*
- › Cigna pharmacists are available 24/7 to answer your medication questions

800.285.4812

Manage your medication

Log in to **myCigna** or the myCigna app to get information about your prescription medications.

- › **Refill prescriptions.** Ordering is fast and easy.
- › **View medication cost estimates.** Learn what you'll pay for your prescriptions based on your plan before you place your order.

- › **View orders.** Check the status of your orders so you'll know when to expect a delivery.
- › **Update profile information.** Let us know how you prefer to get notifications and update your contact and allergy information.

Quickswitch[®] makes filling a prescription simple

Have this information handy when you call and we'll do the rest.

- › Name and Cigna ID number
- › Prescription medication names and dosage (for you or a covered family member)
- › Doctor information (name, phone number)
- › Payment information (American Express, Discover, MasterCard or VISA)

With this information, we will request a prescription from your doctor. Once we receive it, we will fill your medication and mail it to your home or other location of your choice.

Together, all the way.®
